

EFAST2 GOVERNMENT FORMS SYSTEMS

The **BLAZE SSI EFAST2 Filing Preparation System** supports the creation and editing of the EFAST2-required electronic filing format for 2009 5500 forms; including the 5500 and 5500-SF forms, schedules and attachments.

The **BLAZE SSI EFAST2 Filing Transmission (Tx) System** supports the notification of filing signers, secure capture of electronic signatures and a secure database to track filing uploads, submission status and DOL response.

1. APPLICATION FEATURES
